Address: Rio de Janeiro, Brazil.

**Professional translator. Native of Brazil.  
Specialized in Arts, Education and Literature.  
(C1) English < > Portuguese (BR)**

### ● PERSONAL PRESENTATION AND BACKGROUND

I am a native translator of Brazil, with expertise in arts, education and literature. As a writer, since 2019, I have published books for children and young, besides that, I have participated in several anthologies for adults, in Brazil and Portugal. My books have received recognition and national prizes. I have also been engaged in cultural projects for children and young, publishing and presenting my books at schools and libraries.

Since 2021, I am also engaged in educational environment, giving personal and online private classes for children, young and adults, as well as at school.

My graduation in Fine Arts, postgraduate degree in Literature for Children and Young, my postgraduate degree in Early Education and Elementary School; and my professional experiences, have given me a diverse knowledge, I have developed a good ability in translation in these areas, and in some others.
